Comments:

7/6/99 - Letter sent stating inspection has not been performed as requested in 1998, due to number of requests made. DOGM will try to complete inspections by end of 1999 year. If site cannot be released, then both 1998 and 1999 years will be due within 30 days from date of inspection.

12/7/98 - call from Chase Manhattan Bank regarding release of surety bond that is due for renewal. Bond has to be renewed because there are some dikes Crystal Peak is responsible for which the BLM will not release until a new operator takes responsibility (Sevier Dry Lake).

7/30/98 - Received operator request to inspect and close the file, "fee not enclosed."
